# Plumes d'autruche

This pattern has a resemblance to feather and fan.

- Using whatever yarn and needles you choose, cast on 8 stitches. Use double-pointed needles to begin with; switch to circular needles when needed.
- Join the stitches in a round.
- Knit one round (this is Row 1 on the chart.)
- Even-numbered rounds are not shown on the chart. On even-numbered rounds/rows, knit the knits and purl the purls.** Purl the single YOs on even rounds. Where there are double YOs, knit the first loop and purl the second on the even-numbered rounds.

** Except for rounds 8, 10 and 12 (WS) which should be knitted. Rounds 9 and 11 on the RS are purled as it shows in the chart.

Knit one final row around if you like. Then bind off as follows: *Crochet three stitches together with a single crochet, then chain 3 to 5 stitches (which depends on how loopy you want the edge to appear). Repeat from * until the last two stitches. Crochet them together with a single crochet and then make the final chain and join to the first SC in the round. Cut yarn. Make a tiny knot and then weave the end.
